Company scene

Win-win cooperation, create a better future!

Professional team

The company covers an area of 3,000 square meters, with a modern office environment, large plant, production workshop, R & D room, product warehouse, and a group of highly professional technical personnel. Advanced equipment, strict quality control and perfect service team are the reasons why we have such a good reputation and influence in the balloon industry.

Currently, we have a team of more than 30 people. From balloon color mold design to balloon production and processing, packaging and delivery, and then to after-sales service, we have a complete production and sales chain.

Win-win cooperation, create a better future!

Storage and workshop

We have a large warehouse of 300 square meters, with 100,000+ balloons and accessories inventory, you can enjoy the fastest delivery. We also have 1,000 square meters of production workshop to meet your customized needs.
